It's all  
the elements  
essential for the  
**ultimate kitchen**  
experience

**Style. Convenience. Value. All the essential elements.**

It's where the elements of life come together – your kitchen – a place to eat, talk, share, catch up and entertain friends and family. Ultimate Kitchen Two lets you do it all in style. From modern stainless steel appliances to an ultra-hip farmhouse sink to unique touches like accent lighting – even a convenient USB receptacle for charging your mobile devices – Ultimate Kitchen Two is designed around you.

Due to continuous product development and improvement, materials are subject to change without notice or obligation. Product colors may not be exactly as shown on screen or when printed. Please refer to actual product samples for color selections.
